The Malleus Maleficarum, usually translated as the Hammer of Witches, is the best known and the most important treatise on witchcraft. It was written by the discredited Catholic clergyman Heinrich Kramer and first published in the German city of Speyer in 1487. It endorses extermination of witches and for this purpose develops a detailed legal and theological theory. It was a bestseller, second only to the Bible in terms of sales for almost 200 years. The top theologians of the Inquisition at th
