The title of the book is: The locked room. It's a very nice book. The writer of the book is: Peter Viney. The level of the book is four. The summary:

Boekverslag Engels The locked room door Peter Viney

The Locked Room takes its title from the popular detective fiction mystery of a dead body found in a locked room with no other entrances, but, in keeping with the ideas presented in the first two books of The New York Trilogy, it is transformed into a metaphor about a character/reader's relationship to a text—a book becomes a locked room because of the character/reader's inability to escape the ...
