(PDF) The Low Countries - researchgate.net

Description : The history of the smaller European countries is rather neglected in the teaching of European history at university level. We are therefore pleased to announce the publication of the first comprehensive history of the Low Countries - in English - from Roman Times to the present. Remaining politically and culturally fragmented, with its inhabitants speaking Dutch, French, Frisian, and German, the Low Countries offer a fascinating picture of European history en miniature. For ...
